

## СЗЦЭ ЕЖЕГОДНЫЕ ВСТРЕЧИ В СИНГАПУРЕ НА World Architecture Festival

**Last few exhibition stands available at World Architecture Festival**

Hi Oleg,

I just wanted to alert you to our last few remaining opportunities to put your products, services and activities on display at the World Architecture Festival.

World Architecture Festival, held in Singapore from 1-3 October 2014, is the largest live architectural conference in the world.

“...the expo definitely benefited from the Festival’s format, which provided a captive audience of decision makers.”

The WAF festival hall is a constant hub of activity where attendees can enjoy custom-built bars and cafe

To ensure you secure your exhibition space at WAF this year please contact me for more information.

Kind regards,

Jason
